Important Zoo Rules for you and your students:

1. The Zoo is smoke-free for the health and happiness of all our animals and guests.
2. Animals have feelings too. Please do not throw objects, tap or bang on exhibit glass, or play music in the Zoo.
3. All of our animals get room service. Our keepers prepare special meals for each of our animals. People food is not on their menu, so please do not share your food with them.
4. For the health of our animals, no pets are permitted in the Zoo.
5. There are many beautiful things growing throughout our historic, 42-acre Zoo. Help us keep them alive for all to enjoy by not climbing the trees, picking flowers, or disturbing the landscape.
6. If someone is acting inappropriately or dangerously, they may be escorted from the Zoo. If you see someone acting in this manner, please contact a Zoo staff member by using a red emergency phone on Zoo grounds, or calling the number listed above in 'Essential Information.'
7. Please respect the security walls and fences throughout the Zoo, as they are there for the safety and protection of both our guests and our animals.
8. Please keep in mind that you may not see every animal listed when you visit the Zoo and their locations are subject to change. The Zoo does not issue rain checks or refunds, but we invite you to come back and visit us again as the seasons and experiences are ever-changing.
