

Learning Through Play

Just like Sloth Bear cubs, people learn by playing too! Create a safe playing space and try out some of the activities below. Complete 5 activities that are placed diagonally, horizontally, vertically and you've got BINGO! Remember to ask questions and investigate along the way.

B	I	N	G	O
Play I Spy with My Little Eye	Complete a puzzle	Write a story about an animal	Do a simple science experiment	Bird watch through your window
Draw a picture of your favorite animal	Create an animal mask	Make bubble snakes from soap and water	Use something in a new way	Build a den using blankets and pillows
Find animal shapes in the clouds	Close your eyes and listen for new sounds	 Free Play	Use blocks or other materials to build a habitat	Read about your favorite animal
Make music with a new instrument	Create a new pet rock	Put together an obstacle course	Act out behaviors of your favorite animal	Make play dough and create something new
Find out about local wildlife in your area	Make something new with a cardboard box	Dress up as your favorite animal	Make puppets to act out your favorite story	Have an indoor picnic
